

Your Starting Point

TOURNAMENT SEASON

Everyone is tired. This is where the system matters most.

SECTION 04 · BREAKTHROUGH TRACK · MAZE PERFORMANCE

01 · WHAT THIS PHASE ACTUALLY IS

THE SCOREBOARD IS LOUD.
YOUR SYSTEM IS LOUDER.

- 1 Body is tired. Season has been long.
- 2 Team friction is at its highest point.
- 3 Playing unfamiliar teams in unfamiliar gyms.
- 4 Parent energy in the stands is charged.
- 5 Everything is on the line.

02 · THREE TOURNAMENT DYNAMICS

KNOW WHICH ONE YOU ARE NAVIGATING.

IF SHE IS STARTING

Physically and mentally worn. Inner voice loudest at highest stakes. Mantra is the most important tool right now. Three reps before every game. Not optional.

IF SHE IS ON THE BENCH

She has been watching all season. She knows the gaps. This is the moment preparation shows up or it does not. Go back to the bench framework what gap can you fill right now?

IF THERE IS TEAM DRAMA

Parent energy travels. Coach frustration travels. Athlete tension travels. Your job: be the still point in your ecosystem. Do your job. Let everyone else do theirs.

03 · TIMING MAP + STRATEGIC FOCUS

PROTECT THE PROCESS.
TRUST WHAT YOU BUILT.

GAME PAGES — SIMPLIFIED

LIVE

Multi-game days: 30 sec before. One word + one observation after.
Do not let the schedule break the protocol.

HABIT TRACKER

LIVE

Even on the road. Even after a hard loss.
Especially after a hard loss. 30 seconds.

"Protect your sleep. Protect your nutrition. Protect your mantra from the noise around you."

WAYPOINT 5 Emotional contagion in the stands is not love. It is leakage. Be the still point.
