

THE ARCHETYPE.

Know what you are. Then close the gap.

FIVE LESSONS. ONE PLAYER.

01

THE ARCHETYPE

Know what you are.

02

YOUR GAP WORK

Close what's costing you.

03

THE MENTAL GAME

One word between every play.

04

THE STARTER'S TRAP

Why playing time isn't proof.

05

THE UPGRADE

The athlete nobody touches.

HEAR THIS ONCE

PLAYING TIME DOESN'T
MEAN YOU'RE DONE.

If you start, you have more to prove —> not less.

HEAR THIS ONCE

IF YOU ARE PLAYING,
THE GAP HIDES.

You don't see the leak when the score still goes your way.

THE FOUR

FOUR TYPES. **ONE** YOU
LEAN TOWARD.

Nobody is just one. But under pressure, one shows up first. That one is your edge —> and your trap.

BEAST MODE

STRENGTH

Power, intensity, will. The motor that drags the team forward.

GAP

Detail dies under volume. Effort eats accuracy.

THE TOOL

Slow it down on purpose. Once a session, lose to the technique.

02

THE UBER ATHLETE

STRENGTH

Athletic gifts cover everything. Speed, vertical, recovery.

GAP

Skill stalls because the gift covers the gap.

THE TOOL

Train in your weak hand. Pick the rep gravity won't save you on.

03

THE TECHNICALLY TRAINED

STRENGTH

Clean mechanics. Coachable. Knows the right rep.

GAP

Pretty in practice, pale in chaos. Form over fight.

THE TOOL

Practice ugly. Add noise, fatigue, a clock. Compete the rep.

THE ANALYZER

STRENGTH

Reads the play before it happens. IQ, anticipation, system.

GAP

Thinks past the action. Hesitates at full speed.

THE TOOL

Decide pre-snap. One read. Go before you're sure.

SAVE THIS. COME BACK TO IT.

YOUR STRENGTHS GOT
YOU HERE. YOUR GAPS
KEEP YOU THERE.

THIS WEEK

ASK YOURSELF **THESE THREE.**

- ✓ Which archetype shows up first when the game tightens?
- ✓ What does that archetype protect me from seeing?
- ✓ Where, this week, can I lose a rep to find the gap?

NEXT · LESSON 2

YOUR GAP WORK.

Awareness without action is just guilt.

05

THE UPGRADE

The athlete nobody touches.

HEAR THIS ONCE

AWARENESS WITHOUT
ACTION IS JUST GUILT.

Knowing your gap doesn't close it. Working it does.

THE FRAMEWORK

TWO COLUMNS. ONE ANSWER.

WHERE I LEAN

The rep I take when I want the win.

My loudest tool. My signature.

What the team trusts me for.

Comfortable. Familiar. Repeated.

WHERE I LEAK

The rep I avoid when it counts.

My quiet weakness. My excuse.

What gets hidden by my strength.

Awkward. Slow. The work.

BEAST MODE · GAP WORK

STRENGTH

Volume, intensity, refusal to fold.

GAP

Effort outruns precision. Reps without read.

THE TOOL

Quiet rep. Half-speed, full-detail. Once per session.

UBER ATHLETE · GAP WORK

STRENGTH

The body answers most questions.

GAP

Skill plateaus the moment athleticism is enough.

THE TOOL

Pick the rep your gift can't save. Live there for ten minutes a day.

03

TECHNICALLY TRAINED · GAP WORK

STRENGTH

Form. Repeatability. The right thing, the right way.

GAP

Form folds when chaos arrives. Pretty isn't proven.

THE TOOL

Compete the rep. Add a clock, a body, a stake. Win it ugly.

THE ANALYZER · GAP WORK

STRENGTH

Sees the chessboard two moves out.

GAP

Thinks past the action. Late on the trigger.

THE TOOL

One read. Decide pre-snap. Live with the call.

SAVE THIS. COME BACK TO IT.

THE STARTER WHO
ONLY TRAINS STRENGTH
STALLS.

THIS WEEK

NAME THE GAP. WORK IT ONCE.

- ✓ Name the gap in one sentence. No softeners.
- ✓ Write it on the page in your own handwriting.
- ✓ Schedule one rep this week that targets only it.
- ✓ Tell one person — coach, captain, journal.

HEAR THIS ONCE

YOUR TECHNIQUE DOESN'T FAIL UNDER
PRESSURE.

YOUR MIND DOES.

THERE IS A CONVERSATION.

THE NOISE

"Don't miss this one."

"Coach is watching."

"I can't lose this point."

"What if I freeze again."

THE SIGNAL

One word.

One read.

One breath.

Next.

ONE WORD. BETWEEN EVERY PLAY.

HOW TO FIND YOURS

Pick a word that re-points you at the next rep — not the last one. Test it under fatigue. If it survives the third set, it's yours.

Track yours in the Compass Journal.

FOUR ATHLETES · FOUR CUES

YOUR NOISE. YOUR WORD.

BEAST MODE

NOISE
"Harder. Faster. More."

CUE
"Quiet."

UBER ATHLETE

NOISE
"I got this. I always do."

CUE
"Earn it."

TECHNICALLY TRAINED

NOISE
"That wasn't clean."

CUE
"Compete."

THE ANALYZER

NOISE
"What if I'm wrong."

CUE
"Go."

THE DEBRIEF

THREE QUESTIONS. **ATHLETE-OWNED.**

01 WHAT WORKED

Name one rep, one read, one moment that was yours.

02 WHAT LEAKED

Where did the noise win? Be specific. No softeners.

03 WHAT'S NEXT

One sentence. One rep. The next session, named.

SAVE THIS. COME BACK TO IT.

THE MENTAL GAME
ISN'T A FEELING. IT'S A
PRACTICE.

THIS WEEK

CHOOSE YOUR CUE. **USE IT ONCE.**

- ✓ Pick one word. Write it where you'll see it.
- ✓ Use it between three reps in tomorrow's practice.
- ✓ Run the three-question debrief that night.
- ✓ Repeat. Don't rotate. Earn the word.

THE UPGRADE

HEAR THIS ONCE

STARTERS PLATEAU FOR ONE
REASON. THEY STOP
COMPETING.

TWO OUTCOMES · SAME ROSTER SPOT

THE TRAP VS. THE EDGE.

THE TRAP

Starting spot is the finish line.

Practicing to maintain.

Avoiding the rep that exposes me.

Comparing to the bench.

OUTCOME · DRIFTS.

THE EDGE

Starting spot is the baseline.

Practicing to expand.

Choosing the rep that exposes me.

Comparing to last week's me.

OUTCOME · SEPARATES.

FOUR STARTERS. FOUR PLATEAUS.

BEAST MODE

Confuses output with progress. Volume covers the gap.

UBER ATHLETE

Coasts on gifts until the gifts aren't enough.

TECHNICALLY TRAINED

Polishes the rep nobody asks them to take.

THE ANALYZER

Studies the game out of the moment.

COMPASS CHECK

WHAT DOES GROWTH LOOK LIKE
THIS WEEK THAT HAS **NOTHING** TO
DO WITH WINNING?

If the answer is empty, the trap already has you. The Compass Check is the rep your stats don't show.

PROCESS WINS · NOT THE SCORE

THE WIN LOG.

"I took the rep I usually skip — and finished it."

"I stayed in my cue after the third miss in a row."

"I asked for the matchup that scares me."

SAVE THIS. COME BACK TO IT.

THE STARTER WHO
EARN'S IT EVERY DAY IS
THE ATHLETE **NOBODY**
TOUCHES.

THIS WEEK

ONE CONVERSATION. WITH YOURSELF.

- ✓ Run the Compass Check on Sunday night.
- ✓ Log three process wins by Friday.
- ✓ Ask for the rep that exposes you — once.
- ✓ Tell no one. The work doesn't need an audience.

THE RECAP

FIVE LESSONS. ONE ATHLETE.

- 01

THE ARCHETYPE

Know what you are. Then close the gap.
- 02

YOUR GAP WORK

Awareness without action is just guilt.
- 03

THE MENTAL GAME

One word between every play.
- 04

THE STARTER'S TRAP

Earn the spot twice. Every day.
- 05

THE UPGRADE

The athlete nobody touches.

BEFORE. DURING. AFTER.

01

BEFORE PRACTICE

- Name the gap of the day.
- Choose the cue.
- Pick the rep that exposes you.

02

DURING PRACTICE

- One word between every play.
- Compete the rep — no clean exits.
- Note the moments the noise wins.

03

AFTER PRACTICE

- Three-question debrief.
- Log one process win.
- Name tomorrow's rep before bed.

THE SEASON WALK

PRE. MID. POST.

01

PRE-SEASON

- Name your archetype.
- Name your one gap.
- Choose the cue you'll live in.

02

MID-SEASON

- Run the Compass Check weekly.
- Audit the rep you avoid.
- Reset the cue when it goes stale.

03

POST-SEASON

- Read the Win Log out loud.
- Name the next gap before the off-season ends.
- Pick the rep you'll own first.

THE FOUR ARCHETYPES. FINAL TABLE.

ARCHETYPE	STRENGTH	GAP	CUE
BEAST MODE	Volume, intensity, will.	Effort eats accuracy.	"Quiet."
UBER ATHLETE	Gifts cover everything.	Skill stalls behind the gift.	"Earn it."
TECHNICALLY TRAINED	Clean, repeatable form.	Pretty in practice, pale in chaos.	"Compete."
THE ANALYZER	Reads the play early.	Late on the trigger.	"Go."

SAVE THIS. COME BACK TO IT.

GROWTH IS ALWAYS
AVAILABLE. YOU JUST
HAVE TO KNOW **WHERE**
TO LOOK.
