

# ATHLETE COMPASS WORKBOOK

Your scratch paper while you wait for your journal. Mess up. Cross out. Rewrite. That's the point.

---

## HOW TO USE THIS WORKBOOK

- This is not your journal. Your journal is on its way.
- This is the scratch paper you use while you wait — so when your journal arrives, you already know what to write.
- Write messy. Cross things out. Try an answer, hate it, try again. That's exactly what this is for.
- When your journal arrives — transfer your best answers in. Everything here stays private.

### MODULE 0

## BOLD COMMITMENT

THIS IS A CHOICE

Before you write a single word in your journal — decide. Are you choosing this for yourself? Not because someone signed you up. Because YOU want to.

### THE THREE COMMITMENTS

Write these by hand. Take your time. These are the real answers — not the impressive ones.

#### 1 WHY I AM CHOOSING TO DO THIS:

---

---

---

---

#### 2 WHAT I AM TIRED OF FEELING:

---

---

---

---

#### 3 WHAT I AM TAKING RESPONSIBILITY FOR:

---

---

---

---

MY SIGNATURE — THIS IS INITIATION, NOT JOURNALING.

---

### MY ACCOUNTABILITY BUDDY

Choose one person. Not someone who fixes you or lectures you. Someone who will ask you one question every week: Did you do the work?

Name:

---

---

*Then go tell them what you committed to.*

GETTING STARTED

## THE MAZE MODEL

### THE ATHLETES WHO GROW THE MOST AREN'T THE MOST TALENTED.

**They're the most intentional. That's what this system builds.**

### YOUR FOUR OBJECTIVES THIS SEASON

- Define your individual goals and the motivation behind them.
- Learn the difference between practice time and game time.
- Use feedback instead of fearing it.
- Develop laser focus on what actually moves the needle.

### THE FOUR PHASES — WHAT TO EXPECT

#### M — MINDSET

Discover your purpose. Build your mantra. Choose your heroine. Everything else builds on what you put here.

#### A — ANALYZE

Look honestly at your habits and choices. See how they connect to your performance. This is the mirror phase.

#### Z — ZERO IN

Choose three specific skills. Stack each one three levels deep. Share your plan with your coach.

#### E — EXECUTE

Build your full execution system. Map. Habit tracker. Game day protocol. Practice reflection. This is where the season lives.

### THE DAILY LOOP — HOW THE SYSTEM RUNS

- SET INTENTIONS BEFORE — Before every practice and game. Three intentions. Show up with a plan.
- COMPETE FULLY — Practice: try the hard thing, learn. Games: trust your preparation, execute.
- REFLECT AFTER — What did your coach tell you? Did you hit your intentions? How did you compete?
- ADJUST AND GO AGAIN — One honest adjustment. Then go back to work.

**Write one question you have before you start:**

---

---

---

MAZE PHASE 1

## MINDSET

### YOUR REASON

Before anything else — why do YOU keep showing up? Not your parents. Not your coach. You.

#### 1 WHY I KEEP SHOWING UP:

---

---

---

---

---

### YOUR EMOTIONS ARE INFORMATION

Write one emotion you felt recently during a game or practice. Just one word.

#### 2 ONE EMOTION (ONE WORD):

---

---

### YOUR INNER VOICE

When does your inner voice get the loudest? The specific moment.

#### 3 MY INNER VOICE IS LOUDEST WHEN:

---

---

---

### VISUALIZATION

One skill you want to get sharper at this season. Use this as your nightly visualization target.

#### 4 THE SKILL I WILL VISUALIZE:

---

---

#### YOUR MANTRA

Build your mantra using the three steps below. Mess up here. Rewrite until it sounds like you.

Step 1 — Think of a moment when you felt like the athlete you want to be. What did that feel like?

Circle one or write your own:

☐ Calm    ☐ Focused    ☐ Fearless    ☐ Unstoppable    ☐ Clear    ☐ Present    ☐ S

My word:

---

---

Step 2 — When things get hard, what do you want to do instead of shutting down or spiraling?

Circle one or write your own:

☐ Reset    ☐ Compete anyway    ☐ Stay in it    ☐ Keep going    ☐ Get back up

My word:

---

---

Step 3 — Put them together. Use one of these structures or write your own:

- I am [feeling word] when it matters most.
- I [action] — every single play.
- I am [feeling word] and I [action].

**DRAFTS — try it a few times:**

---

---

---

---

**MY FINAL MANTRA:**

## YOUR HEROINE

Choose someone who represents where you want to be — and who has a quality you are building in yourself.

### 5 MY HEROINE:

### 6 WHY I CHOSE HER:

### 7 THE QUALITY SHE HAS THAT I AM BUILDING:

## SHARING

Two things to share with your parent. Write them here so you know what you're going to say.

### 8 MY MANTRA (COPY FROM ABOVE):

### 9 MY HEROINE + THE QUALITY I'M BUILDING:

MAZE PHASE 2

## ANALYZE

### SEASON GOALS

What do you want more of this season? Two or three honest answers. Not what sounds good. What's true.

#### 1 I WANT MORE OF THIS SEASON:

---

---

---

---

### THE REPLAY

Think of one hard moment from this season or last. Use the replay method — facts, thoughts, action.

#### 2 WHAT ACTUALLY HAPPENED (FACTS ONLY):

---

---

---

#### 3 WHAT I WAS THINKING RIGHT BEFORE:

---

---

---

#### 4 WHAT I DID NEXT:

---

---

---

### THE HABIT AUDIT TABLE

List 3–5 habits. Be specific about what you actually do — not what you mean to do.

| HABIT<br>(What you actually do) | EMOTION<br>(One word) | OUTCOME<br>(What it creates) | GOAL?<br>(Yes/No) |
|---------------------------------|-----------------------|------------------------------|-------------------|
|                                 |                       |                              |                   |
|                                 |                       |                              |                   |
|                                 |                       |                              |                   |
|                                 |                       |                              |                   |
|                                 |                       |                              |                   |
|                                 |                       |                              |                   |
|                                 |                       |                              |                   |

YOUR POSITIVE REPLACEMENTS

For every No habit above — write what you will START doing instead. Positive language only.

No habit 1 → I will:

No habit 2 → I will:

No habit 3 → I will:

CARRY FORWARD

Hold onto your No habits. Write the three that matter most here — they become your building blocks in Zero In.

5 MY THREE MOST IMPORTANT NO HABITS:

MAZE PHASE 3

## ZERO IN

### THE SATISFACTION WHEEL

Rate your satisfaction (not your talent) in each area from 1–10. Shade from center out.

*\* If you play a different sport — write your own categories in the boxes.*

### YOUR THREE FOCUS AREAS

Look at your season goal from Analyze. Which three categories would move you closest to that goal?

## 1 MY THREE FOCUS AREAS (AND WHY EACH CONNECTS TO MY GOAL):

---

---

---

---

---

---

### STACK IT THREE DEEP

For each focus area — zoom in through three levels.

#### FOCUS AREA 1

##### Level 1 — The skill in relation to my goal:

*Which area from the wheel and why it matters for your goal*

---

---

##### Level 2 — The specific technical focus:

*What specifically within that area are you building?*

---

---

##### Level 3 — The intangible behind it:

*What mental quality makes this skill possible under pressure?*

---

---

#### FOCUS AREA 2

##### Level 1 — The skill in relation to my goal:

*Which area from the wheel and why it matters for your goal*

---

---

##### Level 2 — The specific technical focus:

*What specifically within that area are you building?*

---

---

**Level 3 — The intangible behind it:**

*What mental quality makes this skill possible under pressure?*

---

---

**FOCUS AREA 3**

**Level 1 — The skill in relation to my goal:**

*Which area from the wheel and why it matters for your goal*

---

---

**Level 2 — The specific technical focus:**

*What specifically within that area are you building?*

---

---

**Level 3 — The intangible behind it:**

*What mental quality makes this skill possible under pressure?*

**THE COACH CONVERSATION**

Fill in the blanks below. Then practice saying this out loud before you have the conversation.

Coach, this is my goal for the season:

---

These are the three areas I want to focus on:

1. 

---
2. 

---
3. 

---

What do you think?

## SHARING WITH YOUR PARENT

Write your three skills and their intangibles here so you know what to share.

### 2 THREE SKILLS + INTANGIBLES TO SHARE WITH MY PARENT:

### 3 QUESTION TO ASK MY PARENT: "IS THERE ANYTHING YOU COULD DO AT HOME TO HELP ME PRACTICE

EXECUTE

## COME BACK HERE — EXECUTION MAP DRAFT

Build your map here first. When your journal arrives — write your final version there.

### Season Goal

*From Analyze — what do you want this season?*

---

---

### Team Goal

*Ask your coach. Write it here when you know.*

---

---

### My Individual Contribution

*How do you personally help your team reach its goal this season?*

---

---

### My Mantra

*Copy from Mindset.*

---

---

### Focus Skill 1 + Intangible

*From Zero In.*

---

---

### Focus Skill 2 + Intangible

---

---

### Focus Skill 3 + Intangible

---

---

### My Why

*This is your why. The real one. The one you wrote on page one.*

---

---

### FOCUS 5 HABITS — DRAFT

Choose up to 5 habits. Positive language only — what you WILL do, not what you'll stop doing.

#### Habit 1:

---

---

#### Habit 2:

---

---

#### Habit 3:

---

---

#### Habit 4:

---

---

#### Habit 5:

---

---

### PRE-GAME PROTOCOL — DRAFT

Practice writing your pre-game protocol before your journal arrives.

#### 3 Coach Instructions this week:

*The specific things your coach told you to focus on.*

---

---

---

**1-word cues for each:**

*One word that puts each instruction in your body instantly.*

---

---

---

**My visualization target:**

*What skill will you see yourself executing before the game?*

EXECUTE · LESSON 4

## ACCOUNTABILITY CHECKLIST

### ACCOUNTABILITY DOESN'T MEAN PRESSURE. IT MEANS STRUCTURE.

These four commitments are the daily standard. If you are doing these four things — you are making progress. Even when it does not feel like it.

1

#### YOUR DAILY RECORD

Journal before and after every practice and game day. Set intentions before. Reflect after. Every session.

2

#### YOUR INNER VOICE

Say your mantra three times a day. Morning. Before practice. Before bed. This is how you train the inner voice.

3

#### YOUR TRIANGLE

Communicate with your ecosystem. Parents, coach, teammates. Keep the lines open. Ask for feedback.

4

#### TRACK WHAT MATTERS

Use your habit tracker every single day. Thirty seconds. Honest marks. No erasing.

## IF YOU'RE DOING THESE — YOU'RE BUILDING

*Not perfectly. Consistently. Miss a day — start the next one. That is the whole standard.*

### WEEKLY CHECK-IN

At the end of each week — look at the four commitments. Which ones held? Which need attention? Pick one to tighten next week.

#### 1 WHAT HELD THIS WEEK:

---

---

---

**2 WHAT NEEDS ATTENTION NEXT WEEK:**

**3 THE ONE COMMITMENT I WILL TIGHTEN:**
