

Element Volleyball Club × Maze Performance — Inner Circle Partnership

The Partnership

Maze Performance becomes Element Volleyball Club's growth partner for the 2026–2027 season. Gabby Cole drives athlete enrollment through her Instagram platform and social content, then delivers the MindSystem training program to every enrolled family for the full club season.

Two Phases

Phase 1 — Growth Push (August–October 2026) Gabby runs a 3-month campaign to fill Element's October tryouts. Includes mic'd up coach content, interviews, storytelling content, high school outreach through Michelle's current coach network, and targeted Instagram promotion to Marin and surrounding communities.

Phase 2 — Inner Circle (November 2026–July 2027) After tryouts, Gabby delivers the full MindSystem to every enrolled family for the duration of the club season.

Enrollment Goals

Baseline: 48 families across four teams (17s, 18s, 16s, 15s), 12 athletes per team

Stretch: Up to 96 families across eight teams (adding 14s, 13s, 12s, 11s), activated if tryout interest supports it

What Every Family Gets

- Physical MindSystem athlete journal (custom)
- Element-branded parent journal (physical)
- Onsite athlete and parent onboarding with Gabby
- Bi-weekly virtual group calls for athletes and parents
- Mental performance and nutrition modules (on-demand)
- MindSystem Training full video library
- 12 months

community access

- Monthly on-site visit tied to practice schedule
- Monthly weekend community-builder session
- Back-end coach communication channel — dedicated protocol for coaching updates, sharing learnings from families, and translating what coaches are experiencing into education for families
- The Courtside Feed (custom blog/newsletter for the club)

Investment

Deposit: \$5,000 due at signing (credited against first months of Inner Circle fees)

Monthly Fee: \$222.22 per enrolled family, billed monthly November 2026 through July 2027 (9 months). This reflects the \$2,000 annual Inner Circle rate per family, divided across the 9 billing months.

Teams	Families	Monthly Fee
4 (baseline)	48	\$10,666.67
6	72	\$16,000.00
8 (stretch)	96	\$21,333.33

The \$5,000 deposit is credited against November's first invoice, reducing the amount due until the deposit is exhausted.

Invoiced monthly via GoHighLevel.

Why This Matters

Element's own coaching document names mindset, character, confidence, wellness, and growth mindset as core elements of athlete development. The MindSystem is the structured system that delivers those elements to every family, built into the club's practice schedule rather than added on top of it.

Retention, parent satisfaction, athlete satisfaction, and a stronger club culture are the downstream outcomes. Less drama for coaches. A shared language between parents, athletes, and staff. A club that stands apart from its competition by investing in the system around the athlete, not just the athlete.

Term

12 months. August 2026 through July 2027. Tryouts to tryouts.
